

Indian Institute of Materials Management
Pune Branch

INDUSTRY EXPOSURE CERTIFICATION PROGRAM

Education is Not The
Learning of Facts

It's Rather The Training
of The Mind To Think

1

Indian Institute of Materials Management

Overview

Indian Institute of Materials Management (IIMM), is India's only Professionally Recognized Body of Material Management existing for over 50 years and is Chartered Member of the International Federation Of Purchasing and Supply Management (IFPSM), Atlanta, USA, which represents 42 countries from all the six continents, with a membership over one lakh professionals and has major influence on International Trade and World Economy.

IIMM has 51 branches and 19 Chapters all over India and over 8000 members, from Private, Public and Government Organizations. Pune branch is one of the active branches conducting various programs in Supply Chain Management.

INDUSTRY EXPOSURE INITIATIVE

Understanding the potential gaps of transformation journey of the industry, IIMM Pune branch is step forward developing young students and professionals to prepare them and making them ready to face the challenges in the industry world.

IIMM Pune is enhancing the pool of highly capable talent to support industry growth in its country of operation by leveraging learning to enhance industry readiness.

One such initiative of IIMM is to build on the concept of student interaction and aims at raising the aspiration levels of students.

2
